

Hi Everyone....

As the children and youth return to school and college this week and shops reopen, let's keep our focus on supporting and helping everyone as we take steps towards some normality. Keep following the local guidelines and stay safe.

As we take up our resurrection commission and the adventure of sharing the goodness of God, let's look for creative ways we can encourage and bless our neighbours and wider community. What we SAY and what we DO must always go hand in hand.

Over the next few weeks we are continuing to focus on the Gospel accounts of where the resurrected Jesus appears to his followers. This next Sunday is about the road to Emmaus in Luke 24. Why not read the story before we look at it together on Sunday.

What's God saying to you through this story ?

Local community survey

Last Spring, local volunteers set up Hesketh Bank and Tarleton Helpers to support local residents during the pandemic. The group now intends to assume a permanent form and have produced a brief survey to help development.

I will forward a copy of the very brief survey to you all tomorrow and if you are able could you please answer the questions and return it to Linda this week. Many thanks !

Plans for next few months.

As we mentioned last week it appears that lockdown

is continuing to ease during this next month so we are continuing to look at our programme of events. Part of the leadership team are meeting this Thursday morning to chew over the possibilities. We will obviously be guided by Government announcements but certainly we hope to have another live service at the beginning of May, plotting a gradual return, fortnightly then weekly services. We are also hoping to have several Family focussed events to look forward to as well.

In the meantime there are all the usual ways you can stay connected and of course you can now meet up with others outside.

Weekly activities:

We have our usual weekly activities to engage with: Wednesday devotional and Catch up coffee and chat and Friday Focus.

Thank you again to everyone who is continuing to support us financially through this very difficult time. If you would like to give to our work here you can set up a standing order, or make a one off payment using the following information.
