

Hi Everyone....

I came across these words in my reflections this week...

Father, continue to restore and re-story us.

Jesus, maker of tables and teller of great stories...create in us a new imagination and grant us a new language with which to sow Your Word into a tired and frustrated world.

Creator Spirit, You who moved over the darkness and gave the chaos form, inspire new songs of worship, disrupt some of our religious attitudes and draw into the heart of our community creative people : artists, prophets and innovators.

Love it!

**Next LIVE service..... Sunday 2nd May at 10-30am**

**Wow...that's right it's this week !** Please email Eva or Steve at the Church office ASAP if you intend being there.....

We will be having communion together as well...safely of course and the bread will be gluten free ! If you would rather bring your own (bread/cracker/drink) please do that.

**Plan for services for the next few months !**

***This is important so pay attention and re-read twice and use your diary !***

**Our aim is to meet weekly from September so we have our own 'road map' to get**

there which will give us all time to re-adjust so this is the plan:-

- Live in person services 2nd May and 6th June and then every two weeks until the end of August.

- What about our children?..... We have really missed seeing our children and are looking forward to welcoming them back into church so we have planned 3 ***SPECIAL EVENT SUNDAYS*** just for them. These will be on 13th and 27th June...and 11th July. Time to get excited!!!.

**More details to follow nearer the time but the 27th June will be a Father's Day special hopefully with a picnic outside !**

**Please pray for us as we plan and prepare for getting back together. Our plans assume that the road map out of national lockdown goes ahead and there are no new measures to deal with....**

**PEEP IS BACK!**

**It was wonderful yesterday to see and hear children in the building. Jan has restarted PEEP, which is vital for our**

**community, as we emerge from lockdown. We have families who have been isolated and desperate to come but we are limited by lack of help as well as covid restrictions, meaning tables etc need sanitising between sessions.**

**CAN YOU HELP? URGENT!**

**This is the job.....sanitising equipment at PEEP. This would be every Monday till the summer ( 7 sessions)**

Three slots are available so you can choose just one slot if you wish.... either 10:30am, 12:10pm or 1:50pm.

The sanitising will take about 30 minutes, ( so you don't need to stay all morning) is Covid-safe, and all supplies will be provided for you. Could you possibly help us please ?

Please call or text Jan on [07974 472045](tel:07974472045) if you can support Peep in this way.

## **COFFEE MORNING PLUS**

**Following requests from other community leaders we are planning to re-start our Wednesday Morning Café (in the Church foyer) on the 26th May from 10 am to 12 pm. We want to help those who have struggled with isolation, enabling them to reconnect socially so we'd love to be at the forefront of that and use our beautiful building in building the kingdom of Jesus where we live. Ideally we would like to run this every week till the summer but it will**

**depend very much on  
volunteer help to run it. Could  
you help us ?....you don't  
need any special skills...T  
bags are very easy to work  
with ! Please text me (Mark) or  
Linda if you are up for the  
challenge and want to be part  
of this great adventure. Our
